number NPR2-FY12-JUL11-N-T1-0168, filed in this docket as Attachment 1 to the Postal Service's notice dated October 6, 2011, as representative of the contracts filed under seal with this notice.<sup>5</sup>

The unredacted version of the inputs worksheet that was used to generate customer-specific rate tables for the agreements for which the Postal Service is providing notice is being filed with the Commission under seal. The redacted version of this input worksheet would appear very similar to the redacted inputs worksheet for the NPR2-FY12-JUL11-N-T1-0168 agreement that was included in the Postal Service's October 6, 2011 filing in this docket.<sup>6</sup> Therefore, the Postal Service requests that the Commission consider the redacted inputs worksheet for the NPR2-FY12-JUL11-N-T1-0168 agreement as representative of the inputs worksheet that the Postal Service is filing today under seal with the Commission.

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's December 15, 2010, notice in this docket.<sup>7</sup> The application protects from disclosure information in the contracts and input worksheets that the Postal Service is filing today with the Commission under seal in this docket.
